### Arrival

Arrive at Kilimanjaro International Airport, Meet & Assist at the airport and after going through Immigration, Baggage Claim and Customs, Transfer to Hotel /lodge

### Day 1 Arusha -Lake Manyara National park

At 8:30am, you will depart for Lake Manyara National Park where you will do game drive; Lake Manyara is a shallow freshwater lake in Tanzania. It is said to be the “loveliest (lake) ... in Africa,” Lake Manyara is covering 127 square miles (329 km<sup>2</sup>) of Lake Manyara National Park, the lake’s alkaline waters cover approximately 89 square miles (231 km<sup>2</sup>). It is famous for a good number of baboons and birdlife, also home to herbivores such as hippos, impalas, elephants, wildebeests, buffalo, warthogs, and giraffes, giant fig trees and mahogany seen in the groundwater forest. Stay overnight in karatu

### Day 2: Manyara– Serengeti National park

After breakfast, depart for Serengeti National Park, the driving is via attractive high lying farmland of Karatu and up to Ngorongoro gate, after check in you will drive more up and along the Crater rim, you

may stop for some nice pictures at the crater view point. More drive around the Crater rim and down to the “Wild rich” The Serengeti National park with its endless rolling plains.

On the way you will visit one of the Masai village whereby some Masai warrior invites you & give you a brief story of their life around this area, questions & answer session before enter to their small houses to meet kids & members of the family. Later they will sing and dance their famous song which involving jumping high. From there drive further with en-route game drive to Naabi Hills Gate for check in before heading to the Central Serengeti park area called Seronera.

Seronera is the richest wildlife habitats in Serengeti, endowed with Seronera River, the main water source in the area that attracts abundance of wildlife well representative of most of the Serengeti's species. Picnic lunch will to be served at the kopjes (Rocky outcropping). Afternoon game drive in search of the Wildebeest Migration, late drive to your lodge during or before the sunset for dinner & overnight.

### **Day 3: Full Day Serengeti National Park**

Your 5 days Tanzania lodge safari continue and today we are taking you for full day game drive in the Serengeti. You will start as early as 06:30 with packed breakfast box and lunch box. Early morning game drive allows you to spot the cat family on the road as they try to avoid the morning mist, you may also see nocturnal animals coming back from their long night of hunting or a group of lioness organizing an ambush or eating along the road.

Break for breakfast in the bush then you will be heading to where the Wildebeest migration is packed. Spend much time watching the migration of herds, the big cats and others (packed lunch will be served in the bush or in one of the picnic site in the area. You may expect to see a lot of animal actions like hunting, killing, fighting & so on. Drive back to the Camp during or before the sunset, dinner & overnight in the Camp.

#### **Day 4 – Ngorongoro Conservation Area Authority:**

Wake up call at 6:00am, in order to have just a cup of hot coffee then proceed for the early morning game drive, this morning game drive is very important as you will be able to witness the early morning kills from the big five only if you will be lucky enough. After the game drive back to the Lodge at 9:30am in order to have your main breakfast, there after you will check out the Lodge and proceed with game drives en-route to Ngorongoro Conservation Area Authority for overnight .

#### **Day 5 – Ngorongoro Crater Tour – Drive Back to Arusha:**

Descend into the Ngorongoro Crater for crater tour. This is world heritage site; the incomparable Ngorongoro crater is the world's

largest “caldera”. Dominated by cliffs standing some 600 meters high and presenting a sheer drop down to a wide open space of some 246 square km, and you may see everything from elephant to lion, and if you’re lucky, the near-extinct black rhino, all amongst large herds of zebra and wildebeest. Afternoon exit the crater and drive back to Arusha in order to stay overnight
