### Arrival

We will be waiting for you at Kilimanjaro International Airport. We will then drive to your accommodation in Arusha (approximately a 1.5 hours drive, depending on traffic and time of arrival.) We will leave you to relax in the hotel for remainder of the day

### Day 1 Arusha – Tarangire National Park

After a safari briefing in the morning and an approximate 2 hour drive you will arrive at the Tarangire National Park. Giant baobab trees, bush savannah and the seasonal marshes add to the wonder of this nature reserve. The Tarangire National Park is considered as one of the best places to view elephants up close. The park is also home to buffaloes, zebras and wildebeests which are always closely followed by a range of predators such as lions. Leopards are seen now and then but cheetahs are rarely spotted. From the open roof of the safari vehicle you will be able to absorb the landscape and watch the animals. In the late afternoon you will leave the park and drive to the accomodation

### Day 2 Tarangire – Lake Manyara National Park

After breakfast you will travel from the Tarangire Area to the Lake Manyara National Park.

The park is known for its over 400 bird species, primate-filled forests and grassy plains. A large area of the park is covered by the alkaline Lake Manyara, the seasonal breeding grounds for large colonies of flamingos and many more waterfowls. The park is also home to giraffes, hippos, wildebeests, impalas and groups of noisy

monkeys and baboons. After an extensive game drive you will travel to the Lodge,

### Day 3: Lake Manyara National Park/ Serengeti National Park

After breakfast, we will start our journey to the Serengeti National Park. On the way we will visit one of the most iconic tribes in East Africa, the Maasai. You will learn about their way of life, visit their homes and witness traditional dancing.

The Serengeti National Park, home to the 'big five'; rhinoceros, elephant, leopard, buffalo and lion, is one of the greatest national parks in the world, spanning over 14,000 km<sup>2</sup>. The name Serengeti comes from a Maasai word meaning 'endless plains'.

Although populations fluctuate, there are an estimated 3 million large game animals in the Serengeti, including over 2,500 lions, 1.2 million wildebeest and over 200,000 zebras. You will also have the opportunity to see giraffes, baboons, colobus monkeys, gazelles, antelopes, crocodiles, hippos, waterbuck, hartebeest and more! This vast and varied park is home to more than 500 bird species; including ostriches, vultures, martial eagles, kori bustards, crowned crane and secretary birds.

Enjoy a picnic or camp lunch before continuing for an afternoon game drive through the vast plains. A trip to the Serengeti at any time of the year can never disappoint!

#### **Day 4: Serengeti national park**

Beginning the day with an early game drive, you will experience the Serengeti as the sun rises and wildlife awakens in the golden morning. This is one of the best times for wildlife viewing. You would either take breakfast box or you will return to your lodge / camp for a late breakfast and rest, before setting out into the vast Serengeti plains for the rest of the day.

We will enjoy a picnic lunch during the day and return to our camp early evening. Your guide will speak to you to plan your day after researching where the good location for animals will be.

#### **Day 5: Serengeti national park / Ngorongoro Conservation Area**

After breakfast we will enjoy at game drive to the main Serengeti gate and stop for a picnic lunch. Heading towards the Ngorongoro Crater we will pass through varied landscapes and micro-climates – vast plains, sweeping hills and dense forests. We will arrive early evening at your selected accommodation.

#### **Day 6: Ngorongoro crater / Arusha**

After breakfast we will drive to the UNESCO World Heritage Site, the Ngorongoro Crater, one of Africa's safari highlights. The name Ngorongoro is from a Maasai word meaning 'Gift of Life'.

You will begin with taking in the magnificent views from the crater rim before descending into the crater itself. You will have the opportunity to see elephants, lions, buffalo, zebra and many other species of animals and birds. We will enjoy a picnic lunch overlooking the hippo pool.

The Ngorongoro Crater is beautiful at any time of year and teeming with wildlife. You may experience clear views of the crater bowl or mists rolling down into the base – either way a memorable experience.

We will travel back to Arusha City for the early evening.

#### Day 7: Arusha / Kilimanjaro International Airport

Today you will be transferred to Kilimanjaro International Airport to meet your flight home.
